Declaration of Compliance
Food and pharmaceutical physiological harmless

We hereby declare that the ePTFE sealing material **TEADIT 24BB** is in compliance with the following directives, standards and regulations, amendments included.

1. EC Framework Regulation 1935/2004, EU No. 2023/2006, EU No 10/2011, LFGB

The tested sample **meets the requirements** of LFGB and Regulation (EC) No. 1935/2004 in the tested items. Stability criteria according to Regulation (EU) No. 10/2011 are met. Food additives, according to Regulation EU 231/2012, are <u>not used</u> for the production.

The investigated sample was tested **at 100°C for Simulant A and B and at 175°C for Simulant D2.**

2. U.S. Regulations 21 CFR 177.1550

Based on the screening results, including the analytical tolerance, the investigated sample is
in compliance with the limits for the "Total extractives" and the "Fluoride extractives" according
to 21 CFR 177.1550 "Perfluorocarbon resins".
